***The Book Woman of Troublesome Creek* by Kim Michele Richardson**

The hardscrabble folks of Troublesome Creek have to scrap for everything—everything except books, that is. Thanks to Roosevelt's Kentucky Pack Horse Library Project, Troublesome's got its very own traveling librarian, Cussy Mary Carter. Cussy's not only a book woman. She's also the last of her kind, her skin a shade of blue unlike most anyone else. Not everyone is keen on Cussy's family or the Library Project, and a Blue is often blamed for any whiff of trouble. If Cussy wants to bring the joy of books to the hill folks, she's going to have to confront prejudice as old as the Appalachias and suspicion as deep as the holler.

ISBN 9781492671527

Discussion Questions:

1. The Kentucky Pack Horse program was implemented in 1935 by the Works Progress Administration (WPA) to create women's work programs and to assist economic recovery and build literacy. Looking at the novel, how did the program affect the people in this remote area? Do you think library programs are still a vital part of our society today?
2. How has a librarian or booklover impacted your life? Have you ever connected with a book or author in a meaningful way? Explain.
3. Missionaries, government, social workers, and various religious groups have always visited eastern Kentucky to reform, modernize, and mold hillfolk to their acceptable standards. Do you think Cussy faced this kind of prejudice from the

outside world? Is there any prejudice or stigma associated with the people of Appalachia today?

4. How do you think Cussy's father feels after he marries her off to an abusive man? Why do you think he agrees to Charlie Frazier's proposal in the first place? What do you imagine life was like for an unwed woman at that time?
5. Imagine you are making a community scrapbook like the ones Cussy distributes to the people of Troublesome. What would you include? Do you think these materials were helpful to Cussy's library patrons?
6. When Cussy receives the cure for her blueness from Doc, she realizes there's a price to pay for her white skin, and the side effects soon become too much to handle. If you were in Cussy's shoes, would you sacrifice your health for a chance at "normalcy"? If there weren't any side effects, do you think Cussy would have continued to take the medication? Would you?
7. How do you think Cussy feels when she is ostracized at the Independence Day celebration, despite her change of skin color? Can you relate to her feelings of isolation? Do you think these kinds of racial prejudices are still prevalent today?
8. Cussy has to deal with the loss of many loved ones in a very short amount of time. How do you think she handles her grief? Which loss was the most difficult for you to read?
9. What do you think life was like for the people of Troublesome? What are some of the highlights of living in such a remote place? What are some of the challenges the people on Cussy's library route face?
10. Back then, entering into a prohibited or interracial marriage in Kentucky was a misdemeanor that could result in incarceration, and we see these racial tensions attempt to sever Cussy and Jackson's relationship. Discuss antimiscegenation laws and marriage laws. Do you think this kind of prejudice still exists toward interracial couples?

11. What do you think happens to Cussy, Jackson, Honey, and the other inhabitants of Troublesome after the story ends? Imagine you were Cussy. How would you feel leaving Troublesome for good?
