***Can't Make This Stuff Up* by Susannah Lewis**

Millions of online fans have flocked to Susannah B. Lewis's hysterical, take-no-prisoners videos that capture her uproarious yet deeply faithful view of the world. Now she brings to book form her keen eye for the absurd as she reveals her experiences growing up in a small Tennessee town. From the time an escaped albino panther wandered into her backyard to the Thanksgiving when an egg in the table's centerpiece hatched a baby chicken to the kind neighbors who brought casseroles in Tupperware for months-even years-after her father died when she was just eleven years old, the stories she tells delve deeply into the rich culture of the South that molded her. Clinging to the promises of God in times of grief and looking for every opportunity to laugh, Lewis is the wry yet wise girl next door who invites you to sit a spell beside her on the front porch.
